**OTHER COMMENTS**

**a) Special activities that stood out**

Ms Davis prepared dense set of notes, made a point of learning as many student names as possible + had a very accessible approach. She held our interest with meaningful examples, humour, discussions + prizes!

**b) Suggestions for improvement**

**c) General comments**

Ms Davis is the type of lecturer distance learners appreciate - very proactive on our behalf. A delightful manner + made all students feel respected.  
Thank you so much.
