### **Steps for Today:**

1. Question, idea or hypothesis
  - What hypotheses do we have about how the first crusade might have influenced the second crusade based on what we know? List them all!
2. What do we need to know to explore our hypotheses?
  - list the topics you need to know about and the sources you need to work with
3. Who will gather what information and where will they gather it?
  - assign tasks to group members (including posting the task list!)

### **Tasks for this week**

1. Post the list of tasks on your wiki (Tuesday night or Wednesday morning)
2. Begin carrying out your assigned tasks (you don't need to do it all in one piece)
3. Check the wiki toward the end of the weekend and gently remind group members who need a reminder
4. Monday evening, take a look at the wiki. What does it still need? Bring your ideas to class to share with your group.
